Math Practice:

We are beginning to do some more with multiple digit division with remainders. It would be helpful to make things easier if the kids had their MULTIPLICATION facts memorized. Please continue to ask the kids 5-10 problems every day to keep them sharp. If they don't know the answer, have them repeat the problem and the answer 3 times out loud. This will help them a bunch.

Special points of interest:

- **Make sure to plan ahead for the wonderful events during National Lutheran Schools Week. What a blessing to share the love of Christ in our Lutheran school every day with kids, help us celebrate that gift.**

Memory for the Week of Jan. 28th

CATECHISM: The Third Petition-Thy will be done on earth as it is in heaven.

What does this mean? The good and gracious will of God is done even without our prayer, but we pray in this petition that it may be done among us also.

Scripture: For this is the will of my Father, that everyone who looks on the Son and believes in Him should have eternal life, and I will raise him up on the last day.

John 6:40
