"ANCHORED IN HOPE" Hebrews 6:19

Fourth Grade Parent News: Oct.

Good Afternoon,
Grace, Mercy, and Peace
to you from God our Father and Lord Jesus Christ!!!

***My prayer for you all on this rainy day is to remember the "light" of God. Through the last 7 weeks of treatment I have come to rely even more on God than I have in the past and seen His light in my life through the kindness of the kids and you parents in our classroom. Thanks be to God for their warm hearts and encouraging love.

***Next week is a short week and we will be still covering a decent amount. We will not have as much homework though. We will study more about Fort Meigs and learn about our field trip on Wednesday. We will also begin Lego Robotics and the fun that goes with engineering. The kids will also learn to do some coding on the Lego block systems and then we will move into some basic coding on the IPADs and also the computers.

***Donuts with Dads—Thanks to the TPO for sponsoring the breakfast this morning. It was great to get to visit with a bunch of you. Sorry if I didn't make it to everyone.

**Blessings on your weekend,

Mr. Jess Thacker

Dates to Remember:

- Oct. 6th—Mid Term
- Oct. 11th—Mid Term grades come home.
- Oct. 11th—Field trip to Fort Meigs, 9:30-2:30. Cost \$3 per person.
- Oct. 12-13—No School- Teacher's Conference

Special points of interest:

- Grand parents Day is approaching us on Oct. 20th. The kids have been working on a short Musical called "Here I Stand" about Martin Luther, to celebrate the 500th anniversary of the Reformation. Be sure to mark your calendars.

Spelling, Math & Reading

Spelling Words:

For Oct. 11th

1. No Spelling Test for the shortened week

Math Practice:

Please be looking over the kids' work from day to day. Also have them show you how they are doing their work, by doing this it will help them understand the process of Math better.

Reading:

We have been reading about Pippi and all of the adventures she has in her life. She is a world traveler, a Thing Finder, has new experiences at the circus, and plays about on rooftops. She is quite the character and very FUN to read about. There are quite a few other books about Pippi if you want to carry reading over to your house and have an adventure together.

School:

► Working together for the success of kids!!

Remember:

Please help check and remind kids to make sure they have their name on all papers. First Trimester I will take 10 points off for no name.

What's to come:

Chapel Offering:

We will be supporting the Lutheran Heritage Foundation (LHF) with our offerings. They are running a campaign this fall called "Continuing What Luther Began". They will be translating Bibles and Catechisms to distribute to kids around the world. Each \$5 gathered gives a child around the world his or her own book about Jesus.

Literature— We will next read the FUN book "Pippi Longstocking" and her adventures.

English — More Sentence Flow, Writing Stories

Ohio History— The Fight for Ohio-The early Explorers and Colonists—Preparations for Fort Meigs Trip

Science- The Water Cycle

Memory for the Week-Due Oct. 1th

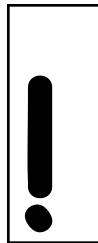

Scripture: He answered, "have you not read that he who created them from the beginning made them male and female, and said, 'Therefore a man shall leave his father and his mother and hold fast to his wife, and the two shall become one flesh'? So they are no longer two but one flesh. What therefore God has joined together, let not man separate.

Catechism: The Sixth Commandment— You shall not commit adultery.

What Does this mean?—We should fear and love God so that we lead a sexually pure and decent life in what we say and do, and husband and wife love and honor each other.

Theme Verse for 2017-2018:

"We have this hope as an anchor for the soul, firm and secure." Hebrews 6:19

Please make sure that you are looking over the kids' assignment notebooks and work. I am asking that you sign their assignment notebooks and they will show them to me each morning. This will help to make sure they are checking things over at home. This will also keep you involved with what we are going over in class. Together we will only be successful. Thanks in advance!!!
