

## **“We Have Come To Share in Christ”**

### **Fourth Grade Parent News: Oct. 25th, 2019**

\*\*\*Grace, Peace and Love to you from our Father in Heaven, Jesus Christ.

\*\*\* As I write this note I am standing at my desk with the cooler air coming in the window and realizing that winter is literally knocking at our door. As you, I am not ready for it yet but believe it is not going to wait for us again. Please make sure the kids are dressed appropriately for each day, because we plan on going out for fresh air as much as possible. Layers is always good at this time of the year, so again please help to make sure before leaving home.

\*\*\*Science EXPO—Make

sure to mark you calendars early for this event for the whole school on Dec. 3rd from 6-7:30pm. Our class will be presenting their robots in the gym and helping to show others how they work and let them experience them too. We will also have Food from Mr. Tracey, a reptile Guy with hands on FUN, and many cool experiments to see and read about in the gym and school. Kids are not required there the whole time but should be there some to show off their work.

\*\*\*Enpuzzlement Field Trip on the 18th—We will begin collecting toiletry items to bring and donate. If possibly we

are looking for: shampoo, deodorant, toothpaste, tooth brushes, and body wash. Anything you can find in bulk will be greatly appreciated. We will also try to have the school help with these donations as well. Drivers needed too.

Thanks for the generosity.

God's Many Blessings

Mr. Jess Thacker

#### Math Practice:

Please begin working on multiplication facts. My advice is to not do them in order, but random basic facts 1-9. Ask them any time you are driving or getting ready for meals or when ever. This will improve every other part of math as most can be connected to these basic facts. Thanks for your help at home too.

#### Reading:

Our next book will be the classic, "The Lion, the Witch and the Wardrobe." Always a FUN book to hopefully get the kids interested in the others in the series.

#### **Special points of interest:**

- ♦ Egg Drop Activity: Again it is my hope that the kids came home and told you all about their Egg Drop Science Activity at school. Kids doing Science is what it is all about. Discussing what they were doing and what they might change if they did it again is so much FUN and tons of learning taking place.

I am asking that you sign their assignment notebooks and they will show them to me each morning. This will help to make sure they are checking things over at home. This will also keep you involved with what we are going over in class. Together we will only be successful. Thanks in advance!!!

### Memory for the Week

**CATECHISM:** The Ninth Commandment: You shall not covet your neighbors house.

**What does this mean?** We should fear and love God so that we do not scheme to get our neighbor's inheritance or house, or get it in a way which only appears right, but help and be of service to him in keeping it.

**Scripture:** Keep your life free from love of money, and be content with what you have, for he has said, "I will never leave you nor forsake you." Hebrews 13:5

### Theme Verse for 2019-2020:

*"Growing Up Into Christ!"*

*Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ. Ephesians 4:15*
