

“We Have Come To Share in Christ”

Fourth Grade Parent News: Nov. 15th, 2019

***Grace, Peace and Love to you from our Father in Heaven, Jesus Christ.

***Only a week and half till Thanksgiving and I am reminded constantly that every day should be Thanksgiving. I am so thankful for the kids in this class and in my life. However my morning could start or what could be burdening my life at the time, kids coming into my room each morning with smiles and joy in their heart make everything else go away. I am so blessed to be doing something everyday that I truly love. I have Thanksgiving every day knowing this is what He has called me to do!!!

***4th Grade Chapel-we will be presenting Chapel next Wednesday 20th at 8:30 am. All kids will have some part of the service. Some may need to come home and practice what they are saying, but not memorized.

***Enpuzzlement Field Trip on the 18th—We will begin collecting toiletry items to bring and donate. If possibly we are looking for: shampoo, deodorant, toothpaste, tooth brushes, and body wash. Anything you can find in bulk will be greatly appreciated. We will also try to have the school help with these donations as well. We still need at least one driver!!!

***Grade cards—please make sure to look for grade cards today. You do not need to send them back. If you would like to discuss anything, please email me and we can set up a time.

God's Many Blessings
Mr. Jess Thacker

Math Practice:

Please begin working on multiplication facts. My advice is to not do them in order, but random basic facts 1-9. Ask them any time you are driving or getting ready for meals or when ever. This will improve every other part of math as most can be connected to these basic facts. Thanks for your help at home too.

Reading:

Our next book will be the classic, "The Lion, the Witch and the Wardrobe." Always a FUN book to hopefully get the kids interested in the others in the series.

Special points of interest:

- ♦ Science Fair
Date: Keep December 3rd
from 6:00-7:30 open on your calendar. The all school Science Expo will be happening. Our class will be presenting our Robots and Slide shows for this night. Also Mr. Tracey will be here with his yummy "Fair Food" for purchase. Sure to be a great night!

Beginning the year right!!!! Please make sure that you are looking over the kids' assignment notebooks and work. I am asking that you sign their assignment notebooks and they will show them to me each morning. This will help to make sure they are checking things over at home. This will also keep you involved with what we are going over in class. Together we will only be successful. Thanks in advance!!!

Memory for the Week

CATECHISM: The First Article-Creation: I believe in God, the Father Almighty, maker of heaven and earth.

What Does this mean? I believe that God has made me and all creatures; that He has given me my body and soul, eyes, ears, and all my members, my reason and all my senses, and still takes care of them.

Scripture: By faith we understand that the universe was created by the word of God, so that what is seen was not made out of things that are visible. Hebrews 11:3

Theme Verse for 2019-2020:

"Growing Up Into Christ!"

Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ. Ephesians 4:15
