

"We Have Come To Share in Christ"

Fourth Grade Parent News: Nov. 22nd, 2019

***Grace, Peace and Love to you from our Father in Heaven, Jesus Christ.

***As I write this note looking out the windows into the darkness I am reminded again of the blessings I have been granted. Anxiously awaiting the kids coming in all excited to be coming to school. I am so thankful to be granted this gift and want to thank you all again for sending your kids to Trinity. I am constantly reminded of Thankfulness each time I am gone to a workshop and come back after missing a day with them. It is my prayer that they feel the same about class.

***Enpuzzlement —I hope the kids told you about the field trip last Monday. We completed a bunch of work to bless many people; from finding and packing food boxes for 25 homes, loading breads, distributing huge amounts of laundry detergent, to FUN Amazon donation boxes. The kids again asked if we could go back in the Spring. I will look over the calendar to see if we can fit another visit in when it warms up again. What a blessing the kids were on this time of service. Again I am thankful that God granted us opportunity to show His love in our community.

***Shortened Week— We will be finishing up Thanksgiving Stories and working on Science Expo project and Robots a bunch next week. Don't expect much homework at all. Enjoy the 2 day week. I also won't be sending home a newsletter next week but will on Monday we return.

God's Many Blessings on Thanksgiving break.

Mr. Jess Thacker

Spelling, Math & Reading

Spelling Words:

1. No Test, short week

Math Practice:

Please begin working on multiplication facts. My advice is to not do them in order, but random basic facts 1-9. Ask them any time you are driving or getting ready for meals or when ever. This will improve every other part of math as most can be connected to these basic facts. Thanks for your help at home too.

Reading:

Our next book will be the classic, "The Lion, the Witch and the Wardrobe." Always a FUN book to hopefully get the kids interested in the others in the series.

Special points of interest:

- ♦ Science Fair
Date: Keep December 3rd from 6:00-7:30 open on your calendar. The all school Science Expo will be happening. Our class will be presenting our Robots and Slide shows for this night. Also Mr. Tracey will be here with his yummy "Fair Food" for purchase. Sure to be a great night!
