## **“We Have Come To Share in Christ”**

### **Fourth Grade Parent News: Nov. 26, 2018**

Good Afternoon,  
\*\*\*Oh Give Thanks to the Lord for He is Good!!  
\*\*\*It is my prayer that you had an excellent Thanksgiving break and are rejuvenated for the push to Christmas. We have 4 full weeks and will be packed full of many activities and lessons. We will finish our book and most likely begin another. We are almost half way through our Math and English books and are more than that with our History. I still can't believe that we

are in the last week of November and flying along.  
\*\*\***Science Fair**—Again remember that the kids are not required to be at this even but it can be a great way for you to see what is ahead for the next couple of years. We will have a couple of mazes set up in the corner of the gym and have our robots there to enjoy as well. Our school won a STEM award again this year for all of our great projects in Science, Technology, Engi-

neering and Math. There are so many great things that you probably don't see at home but happen in our school. Come see some of those things Tuesday from 6-8 pm.

God's Blessings,  
Mr. Jess Thacker

**CATECHISM:** The First Article of the Creed-Creation

I believe in God, the Father Almighty, maker of heaven and earth.

**What does this mean?** ..He defends me against all danger and guards and protects me from all evil. All this He does only out of fatherly, divine goodness and mercy, without any merit or worthiness in me.

**Theme Verse for 2018-2019:**

*"We have come to Share in Christ, we hold our original confidence firm to the end. " Hebrews 3:14*
