

# “ANCHORED IN HOPE” Hebrews 6:19

## Fourth Grade Parent News: Nov. 3rd, 2017

Good Afternoon,  
Grace, Mercy, and Peace to you from God our Father and Lord Jesus Christ!!!

\*\*\*I can't believe it is already the beginning of November. Before we know it Christmas will be here and gone too. When there is so much going on in and out of the classroom, time really flies by, almost too quickly.

\*\*\*Science Fair/Expo—you may have heard the bustle about the Science Fair and I want to as-

sure you that we are working on our project, however the kids don't even know they are doing it. In my opinion, that is how some of the best learning takes place. We will be using our Robots and Google Slides to show Learning/ Programming/ and problem solving skills. Watching the kids solve this seemingly simple task with their robots has been FUN. They have been working very hard and have had success and failures but

have not given up. A great experience for them indeed.

\*\*\*Chapel on the 15th—Fourth Grade will lead Chapel on the 15th and you are welcome to come join us and watch the kids share the word of God with the school.

God's Blessings,  
Mr. Thacker

Read with the kids and relive your high school years trudging through the Classic literature. Enjoy this great reading time with kids.

**What's to come:**

**Chapel Offering:**

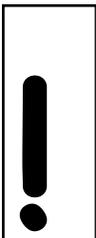

We will be supporting the Lutheran Heritage Foundation (LHF) with our offerings. They are running a campaign this fall called "Continuing What Luther Began". **Please make sure that you are looking over the kids' assignment notebooks and work.** I am asking that you sign their assignment notebooks and they will show them to me each morning. This will help to make sure they are checking things over at home. This will also keep you involved with what we are going over in class. Together we will only be successful. Thanks in advance!!!
