

“ANCHORED IN HOPE” Hebrews 6:19

Fourth Grade Parent News: Nov. 9th, 2017

Good Afternoon,
Grace, Mercy, and Peace
to you from God our Father and Lord Jesus Christ!!!

**This month is all about remembering and giving thanks. On Wed. at Chapel we got the opportunity to say thanks to some fine Veteran's that took part in our Chapel service. I am so thankful for the rights and freedoms they fought for and remind us for, and the kids were so gracious in their words and actions to these people. What a great

blessing we have here at Trinity to do this.

***Science Expo—I know that some see these words and “cringe” with fear about all the work. We have actually been doing our project for the last month or so. We are going to present our Robots and “Coding” that they have been doing. They don't even realize they have been doing this, which is a great think with education. The more learning that takes place without their knowing it, the

better. Come see what we have been working on. I will be putting together a Google Slide show that shows all of the different steps too. Don't forget that you will be able to see all the different projects of other classes too.

God's Blessings,
Mr. Thacker

Math Practice:

Be sure to be practicing those multiplication facts and flash card we made last week

Reading:

We have begun reading the Classic Starts version of “Treasure Island”. These versions are great ways for the kids to get to know the classic versions of the stories, then sparking them to want to read the actual ones later. Read with the kids and relive your high school years trudging through the Classic literature. Enjoy this great reading time with kids.

Special points of interest:

- Science Expo:
The Science Expo and Open house will be On Nov. 28th. Mark your calendars to come see all of the great things that the Kids of Trinity do in the form of Science and Engineering.

Memory for the Week-Due Nov. 9th

Scripture: Let all the earth fear the Lord: let all the inhabitants of the world stand in awe of him! For he spoke, and it came to be; he commanded, and it stood firm. Psalm 33:8-9

Catechism: I believe in God, the Father Almighty, maker of heaven and earth.

What does this mean: I believe that God has made me and all creatures; that He has given me my body and soul, eyes, ears, and all my members, my reason and all my senses, and still takes care of them.

Remember:

Please help check and remind kids to make sure they have their name on all papers. First Trimester I will take 20 points off for Second Trimester.

Theme Verse for 2017-2018:

"We have this hope as an anchor for the soul, firm and secure." Hebrews 6:19

What's to come:

Chapel Offering:

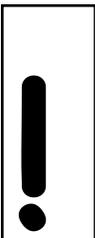

We will be supporting the Lutheran Heritage Foundation (LHF) with our offerings. They are running a campaign this fall called "Continuing What Luther Began". They will be translating Bibles and Catechisms to distribute to kids around the world. Each \$5 gathered gives a child around the world his or her own book about Jesus.

Literature— Classic Starts—"Treasure Island" Finish and video

English — Ch. 5, Pronouns

Ohio History— Growth and Change in Ohio, Ch. 5

Science- The Water Cycle

Please make sure that you are looking over the kids' assignment notebooks and work. I am asking that you sign their assignment notebooks and they will show them to me each morning. This will help to make sure they are checking things over at home. This will also keep you involved with what we are going over in class. Together we will only be successful. Thanks in advance!!!
