“We Have Come To Share in Christ”

Fourth Grade Parent News: August 20th, 2018

Good Afternoon,

***It is my pleasure to welcome you to Fourth grade. It is my hope that this year will be one filled with many memories. We will learn about each other and will grow spiritually. The Lord has blessed us all richly and getting to share that with each other is a wonderful gift from God.

***This year I will challenge your kids in all subject areas. They will learn so many things that they won't think they are learning and it

will be so much FUN!!!

Yes, I did say Fun and learning in the same sentence. We all need to remember that learning can be a good time and it is my hope that all kids will want to return to my room each day, and then leave my classroom with a wealth of knowledge. My favorite picture in our room is of a smiling Christ. I believe His love of teaching is an excellent example for me to follow. We should never stop learning. It is also my prayer that

the kids will leave this classroom with that love of learning too.

***If you ever need anything from me throughout the year please don't hesitate to ask. My service to you and your kids is a blessing to me from God. Together we will have a great year.

Blessings,

Mr. Jess Thacker

Beginning the year right!!!! _Please make sure that you are looking over the kids' assignment notebooks and work. I am asking that you sign their assignment notebooks and they will show them to me each morning. This will help to make sure they are checking things over at home.
