

“Loving in Word, in deed and in truth.”

Fourth Grade Parent News: August 26th, 2016

Good Afternoon,

** Wow!!!! This week literally flew by and I can't tell you how excited I am for the year. The discussions we have had and learning of new materials so fast has been really cool. I hope that the kids have come home as excited about being here as I have. Thanks for helping at home so far, keep it up and the kids can only be successful. Together we will be great!!!!

****Classroom Website:**
Be sure to check out the classroom website that I have put together.
http://www.jess_thacker.weebly.com

I will try to have some pictures on here also from some activities we did this week.

**The kids did a great job this week following many new expectations there are in fourth grade. I am very proud of them and have let them know this as well. Please keep communicating with them on a daily

basis. Ask them specific questions about their day. Remember, they will grow up fast and before you know it the year will be gone. So spend time with them and family!!!

Blessings,
Mr. Jess Thacker

Math Practice:

Please be practicing basic Math facts with the kids at home; addition, subtraction, multiplication. This will help make most other things very easy in class.

Reading:

We have been Reading "Chocolate Fever" and the kids keep asking for more. Some have even been reading ahead. I love when kids push for more reading. Hopefully they have been telling you about the book.

**AR—the kids should all have books to be reading for Accelerated Reader time. We will discuss point goals next week.

Special points of interest:

- Please continue to look over assignment notebooks and sign them after looking at assignments. Kids will continue to succeed if we hold them accountable for their work. Thanks for your help in this matter.

What's to come:

Theme for 2016-2017:

"Loving in word, in deed and in truth!" 1 John 3:18

Chapel Offering: Our Chapel offerings for August and September will go to the LCMS Disaster Relief efforts for greater Baton Rouge, LA area. Please prayerfully consider donations for this great effort. It is hard to imagine what it would be like to loose everything to flooding or any disaster.

Literature— Chocolate Fever—Finish this week

English — Sentence Flow, Jingles on Weebly site

Ohio History— Where in the World are We? Longitude and Latitude

Science— What Skills do Scientists Use?

Beginning the year right!!!! _Please make sure that you are looking over the kids' assignment notebooks and work. I am asking that you sign their assignment notebooks and they will show them to me each morning. This will help to make sure they are checking things over at home. This will also keep you involved with what we are going over in class. Together we will only be successful. Thanks in advance!!!
