

"We Have Come To Share in Christ"

Fourth Grade Parent News: Sept. 7th, 2018

Good Afternoon,

***Grace, Mercy, and Peace to you from God our Father and Lord Jesus Christ!!!

***Again, I can't believe how quickly this week flew by. A Few of the kids made the comment too and the end of days that they couldn't believe it either. We are covering so many different things and there is still so much I want to do everyday. Kids are like sponges, they will absorb anything that we throw at them. Remem-

ber that repetition is a key to success. Ask the kids each day some of the things that we repeat in Math, English and Religion. We are only in the first couple weeks of school but they already know more than many would think they could have memorized. It is truly amazing to me how much information they can hold, even with all their different ability levels.

***Next week we will discuss in History the events of Sept. 11th. It

is my hope that all the kids have at least heard something about this tragic day in American History. We will not go into too much detail but it will be discussed. If there are any questions, please don't hesitate to contact me.

God's Blessings,
Mr. Jess Thacker

Reading:

**We started reading about Pippi Longstocking this week and what antics she gets herself into. She is quite the character. If you haven't read this book, it would be a fun way to get involved with your kids and a quick way to see how well they are reading fluently. Reading out loud with kids can foster so many different areas of skills.....give it a try and see how it affects the kids later.

Special points of interest:

- If you haven't sent in anything for the "Auction" basket, there is still time. You can either send in a small amount of \$\$ or send in a bottle or two of craft beer, not cold. We will be assembling the basket next weekend. Thanks !!!!

Matthew 10:37

Beginning the year right!!!! _Please make sure that you are looking over the kids' assignment notebooks and work. I am asking that you sign their assignment notebooks and they will show them to me each morning. This will help to make sure they are checking things over at home. This will also keep you involved with what we are going over in class. Together we will only be successful. Thanks in advance!!!
