“Equipped by God to do His will.”

Fourth Grade Parent News: August 6th, 2017

Good Afternoon,

***It is my pleasure to welcome you to Fourth grade. It is my hope that this year will be one filled with many memories. We will learn about each other and will grow spiritually. The Lord has blessed us all richly and getting to share that with each other is a wonderful gift from God.

***This year I will challenge the kids in all subject areas. They will learn so many things that they won't think they are learning and it

will be so much FUN!!!

Yes, I did say fun and learning in the same sentence. We all need to remember that learning can be a good time and it is my hope that all kids will want to return to my room each day, and then leave my classroom with a wealth of knowledge. My favorite picture in our room is of a smiling Christ. I believe His love of teaching is an excellent example for me to follow. We should never stop learning. It is also my prayer that

the kids will leave this classroom with that love of learning too.

***If you ever need anything from me throughout the year please don't hesitate to ask. My service to you and your kids is a blessing to me from God. Together we will have a great year.

Blessings,

Mr. Jess Thacker

Dates to Remember:

- Aug. 17th—Fist Day of School, opening Chapel
- Aug. 23rd—Chapel 8:30 am, All are welcome
- Sept. 2nd-5th—No School, Labor Day

Spelling, Math & Reading

Spelling Words:

This section will include the words for the next week. Tests will be on the last day of that week. Make sure to be studying words each day of the week. We will also have a bonus word which will be chosen from other sources from we have been involved with. Test will begin with 15 words and go up to 20 in October.

Math Practice:

Make sure to be always practicing basic facts; addition, subtraction, multiplication, and division. This can be something that you do in the car or a few facts before dinner, or anytime. The better they know these facts by heart, the easier it will be for us to learn more upper levels of Math.

Reading:

In this section there will be brief summaries of what we are Reading together in class. We will be using actual Literature this year and not a Reading Book. Kids will respond with Comprehension questions or summarizations of what we have read. We will read much together in class and watch the books come alive. It is my hope that we can together create a love for reading!!!!

Special points of interest:

- This newsletter coming home every Friday will hold most all of the information needed for the upcoming weeks. Also make sure to look for the "Viking Voice" for other important information.

Beginning the year right!!!! _Please make sure that you are looking over the kids' assignment notebooks and work. I am asking that you sign their assignment notebooks and they will show them to me each morning. This will help to make sure they are checking things over at home. This will also keep you involved with what we are going over in class. Together we will only be successful. Thanks in advance!!!
